'Our way forward' identifies several levers for achieving a more equitable housing system for all Tasmanians. Are there additional or alternative more important levers that you believe

**should be addressed?**

I think family's should be prioritised

**Theme one identifies the need for 'more homes, built faster'. Are there additional or alternative objectives you recommend for consideration?**

Build more houses not unit complex's as other people's kids and parents destroyed your kids toys

**Theme two centres on 'affordability in the private market'. Are there additional or alternative objectives you recommend for consideration?**

No

**Theme three places 'people at the centre' of the draft Strategy. Are there additional or alternative objectives you recommend for consideration?**

No

**Theme four highlights 'local prosperity' as a priority. Are there additional or alternative objectives you recommend for consideration?**

Family's

**Are there other ways the government could make its actions and progress to meet the proposed objectives more transparent and accessible?**

Start building already

**Do you have any comment on what this draft Strategy does well?**

No

**Is there anything you think the draft Strategy does not cover but should, or that it mentions but could be highlighted more?**

No
